Grass Fed Beef

www.herrdaleacres.com

Thank you for your interest in our grass fed beef. The beef from our farm is cut, vacuum packed and frozen at Smucker's Meats, a USDA certified facility located in Mount Joy, Lancaster County, PA.

Some of our specials are available immediately. The meat is initially dry aged for two weeks in their cooler, which tenderizes and help to flavor the beef, available approximately four weeks after ordering.

-Each box is 13" x 13" x 8"

-Ask about custom cuts when ordering a "Half"

-Please call or email us with any questions. We are committed to quality customer service.

There are several different ways to order our beef:

Whole, Half, Quarter, or Eighth

The net weight of one beef animal, after it is cut up and frozen, ranges from 280-360 lbs. It is proportionately divided into halves, quarters, or eighths at Smucker's Meats. The following is an eighth:

-Steaks: 3-4 Delmonico, 2 T-bone, 2 Porterhouse, 2 Sirloin, 1 Flat Iron, 1 Ranch, 1 pkg. chip steak

-Roasts: 2 London Broil, 1 Chuck, 1 Sirloin Tip, 1 Rump

-Beef Cubes (Kabobs): 2 one pound packages

-Ground Beef: 10 one pound packages
